

The Corporation of the City of Pembroke

Application for Official Plan and/or Zoning By-law Amendment

Application Guidelines

Introduction

The submission of an application to the municipality to amend the Official Plan or Zoning By-law is provided for in the Ontario Planning Act. As such, this form must be completed and accompanied with the required fee prior to consideration by Council. The purpose of these Guidelines is to assist persons in completing the application to amend the Official Plan or Zoning By-law.

Application Fee

Each application must be accompanied by the application fee in the form of a cheque payable to the Corporation of the City of Pembroke. This fee is used to pay all planning and other anticipated administrative costs with respect to the processing of the application.

Zoning By-law Amendment

\$1000.00 + HST = \$1130.00

Official Plan Amendment

\$1200.00 + HST = \$1356.00

Zoning By-law and Official Plan Amendment for same property

\$1500.00 + HST = \$1695.00

Authorization

If the applicant (agent or solicitor) is not the owner of the subject land, a written statement by the owner must accompany the application which authorizes the applicant to act on behalf of the owner as it relates to the subject application (See Section H).

Drawing

All applications for an Official Plan and/or Zoning By-law Amendment must include an accurate to-scale drawing, preferably prepared by a qualified professional, showing the items listed below.

Supporting Information

Please bear in mind that additional information may be required by the municipality or local and provincial agencies in order to evaluate the proposed amendment. This information is often a requirement of the local Official Plan, provincial policies and/or applicable regulations. The required information may include studies or reports to deal with such matters as environmental impacts, traffic, water supply, sewage disposal and storm water management.

In addition, the applicant may be required to submit a more detailed site plan, under site plan control, prepared by a qualified professional and showing the proposed development including

all new buildings and structures, parking areas, landscaping and other site information as required by the municipality.

The Schedule to Ontario Regulation 543/06, as amended, outlines prescribed information for an Official Plan amendment. The Schedule to Ontario Regulation 545/06, as amended, outlines prescribed information for a Zoning By-law Amendment. Sections 22(5) and 34(10.2) of the Planning Act enable a Council to require "other information or material" that it considers necessary.

Approval Process

After the submission of an application, the Planning Department will determine if the application is complete, including whether all of the information prescribed by the Ontario Regulation(s), and the required fee, have been provided. If the application is complete, the Planning Department will deem the application to be received. The applicant/owner will be notified whether the application has been received or whether more information is required.

Upon receipt of a complete application; the required fee; and such other information as may be required, the application will be processed. The applicant will be requested to attend various meetings, including two public meetings, to present the proposal. The applicant will be provided notice of any decision made by Council concerning the application. Zoning and Official Plan amendments require approval by Council.

Please be advised that the Planning Act provides for appeal procedures in respect of Official Plan and Zoning By-law amendments.

Further Information

	If Yes, list the O. Reg. number:
	the proposed amendment consistent with the policy statements issued under bsection 3(1) of the Planning Act?
	Yes □ No
Ex	plain how the proposed amendment is consistent with policy statements:
ls t	the subject land within an area of land designated under any provincial plan or plans?
	Yes □ No
	Yes, please provide an explanation of how the proposed amendment conforms or plans.

E. Application Sketch

29. On a separate page or pages, please provide an accurate, to-scale drawing of the proposal, preferable prepared by a qualified professional. In some cases, it may be more appropriate to prepare additional drawings at varying scales to better illustrate the proposal.

The drawing should show:

- a) Applicant's name
- b) Location, width, and name of any roads within or abutting the subject land, indicating whether it is an unopened road allowance, a public travelled road, a private road or a right-of-way
- c) Date of drawing
- d) The scale to which the drawing is drafted (1 cm = 50 m)
- e) North arrow
- f) Property boundaries and the true dimensions of the subject land for which the amendment is being sought
- g) The location, dimensions and use of all existing and proposed buildings and structures, and use of open areas on the subject land. Distances must be indicated from the front lot line, rear lot line and the side lot lines to the buildings (proposed and/or existing)
- h) The locations and dimensions of off-street parking spaces and off-street loading facilities.
- i) Planting strips and landscaped areas
- j) Rights-of-way, easements, or restrictive covenants
- k) The approximate location of all natural and artificial features on the subject land and on land that is adjacent to the subject land which in the opinion of the applicant may affect the application. Examples include buildings, railways, roads, watercourses, drainage ditches, river or stream banks, wetlands, wooded areas, etc.
- I) Neighbouring adjacent land uses
- m) Buildings to be demolished or relocated
- n) If access to the subject land is by water only, the location of the parking and docking facilities to be used
